Common

Title: Kingman Home For Sale By Owner
 Price: \$ 389,999

Description:

Well maintained Kingman home with mature trees and fruit trees including rock landscaping front and back. This home has a large kitchen with high end granite countertops, breakfast bar and dining area with plenty of kitchen storage.

There is new tile through out home with a great room and fireplace, plus family room/den with french doors that lead to covered patio. The large master suite has an updated bathroom. Large RV gate plus storage shed in side yard, newly painted outside and a new roof that was installed on July 2021. The home is located in a beautiful, quiet neighborhood.
